The Tsunami Blessing Inside and Out, Part 452 Scriptures

This is Section B of a multi-part instruction. You have the capacity to receive the King's portion! God built within each one of His creation the maximum capacity to receive at His divine level, the exceedingly, abundantly, above all that you can ask for or even think of. "But thou shalt remember the Lord thy God; for it is He that giveth thee power [the influence in heaven and in the earth] to get wealth, that He may establish his covenant which he sware unto thy fathers, as it is this day." Deuteronomy 8:18. That's the power to get wealth!

Only in Christ, you have the capacity to receive the King's Portion. A slave may only think of begging, but in reality may never ask for fear of being rejected or punished. Now a servant operates at a higher level. He labors for all his wages, negotiates for a raise and will strike if all his demands are not met. A son may tend to borrow without asking or boldly make his demands known with every intention of getting just what he asked for.

But there is the King's Portion, where you are acknowledged as the most favorite. With this recognition, the ruler makes every resource available without you having to beg or borrow. The scepter graciously extends favor, creating greater leverage; you have been empowered to do more with less. Since God has more than one way to get His provisions to you, make enough room for these supernatural transactions. True riches on deposition must be in proportion to every withdrawal made on demand. Let's unpack "The Power to Get Wealth" by Kathryn Joy Foster.

The True Riches on Deposit for Withdrawal. The true riches are the Word of God which the Spirit of God, Holy Spirit unpacks to you. Throughout our program today, I will share a host of scripture references throughout the Holy Bible that highlight the favor of God, i.e., *charis.* In Greek, favor is defined as the "divine influence upon the heart and its reflection in the life."
