## GET GOD'S MIND ON IT AND STOP TAKING CHANCES

God wants you to inherit his secrets. They are there for you to discover. Destined to know his mind, he progressively moves you from a world seen to one unseen. God first works with the end of a thing in mind so you will have a portrait of his hope. Here are traits of his thoughts: **Inventive.** II Corinthians 5:17-18 declares the new birth expires old things. No matter how old you are, God's "new" applies to you. When you experience a patented mind, expect to also experience a patented life. **Divine.** I Corinthians 2:8-16 sets up the spiritual man over the natural man to operate accurately in the kingdom of God and the kingdom of this world. Flesh cannot worship God, so move in the Spirit world (never occult practices) to access the plan God has already prepared for you. **Endless.** I Peter 1:23-25 proves the Word of God is incorruptible seed, which means your harvest is also incorruptible. The "Word" becomes flesh to glorify God. A natural man can only sow corruptible seed that's based on the 5 physical senses. Without a vision, he decomposes due to shortsightedness. **Excellent.** Romans 8:6-17 shows daily intake of the Word of God gives a sure foundation for being spiritually-minded, overruling the carnal mind (meat head). Then your thoughts won't be fleeting, but fuel your renewed mind. Transcending thoughts glorify God as he really is, not like you may think he is or unbelievers assume he is. **Foresight.** James 3:13-18 will help you make decisions that lead to a life in Christ as well as to avoid premature death. It characterizes two types of wisdom. Always choose the wisdom of God over the wisdom of the world. Instead of crystallizing your world with contaminants, make your choices "first pure, peace-loving, courteous, willing to yield to reason, full of compassion and good fruits; wholehearted and straightforward, impartial and unfeigned free from doubts, wavering, and insincerity" as The Amplified publishes. **Kingdom Secrets.** Mark 4:11 distinguishes the advantage of operating on God's dimension. Mysteries of the kingdom of God give you throne room secrets. Parables only give symbols from the earth. **Masterpiece.** Zechariah 4:6 illustrates God's work embracing the Holy Spirit as the change agent. High definition of his work always exhibits "a ceaseless supply of oil" [the anointing of God's presence and power] so no man can boast about his own toil. Natural power and might are limited. When you recognize just one piece of the puzzle as revelation, you will also recognize God's masterpiece as a supernatural manifestation from heaven. With the mind of Christ, you don't take chances. You are in the know.

## LIFTED UP OUT OF THIS WORLD

Every dream is fueled by thoughts that remain in the subconscious mind. God wants you to harmonize with his highest hope so only his dream will be fulfilled in the earth. When you receive his Word—the mind of Christ—you also receive his power to reproduce it, Jeremiah 29:11, The Message says, "I know what I'm doing. I have planned it all out—plans to take care of you, not abandon you, plans to give you the future you hope for". Now you may ask, "Is that God's thought or my own?" God's thoughts are of the highest caliber—the exceedingly, abundantly, above all that you can ask or think. The word higher in Hebrew from the following verse in the KJV means "to soar; to raise up great heights". Isaiah 55: 8-11, The Message says, "I don't think the way you think. The way you work isn't the way I work, God's decree. For as the sky soars high above earth, so the way I work surpasses the way you work; and the way I think is beyond the way you think. Just as rain and snow descend from the skies and don't go back until they've watered the earth, Doing their work of making things grow and blossom, producing seed for farmers and food for the hungry, so will the words that come out of my mouth not come back empty-handed. They'll do the work I sent them to do, they'll complete the assignment I gave them." God is not putting you down; his intention is to bring your thoughts up to the highest level possible. Then your faith will reproduce results at the same level of heaven, not just the sky is the limit. Philippians 4:8, The Message gives us a model, "...I'd say you'll do best by filling your minds and meditating on things true, noble, reputable, authentic, compelling, gracious—the best, not the worst; the beautiful, not the ugly; things to praise, not things to curse." Ignite your imagination, then you won't just imitate living, but will bring God's dreams to life...resurrection life...eternal life...abundant life...that's out of this world. Elevation for you!

### Engaging Life from the Heights

1. Clear your head often. Press past any pain to receive healing. Be diligent to diminish any thought that is contrary to God's purpose.
2. Cast your care on Jesus without casting your confidence, knowing he cares for you. Resist satan or any demonic thought by pleading the blood over your mind. "Cast down imaginations and every high thing that would exalt itself against the knowledge of God and bring into captivity every thought to the obedience of Christ."
3. Change condescending thoughts with transcending ones so you are mindful of God's covenant just like he is. Psalm 111:5, The Amplified says "...He will remember His covenant forever and imprint it [on His mind]. 4. Create a picture as you read for retention. Read aloud scripture of the desired portrait. 5. Coach yourself on transcending thoughts in the present tense verbally and daily. This acknowledges receipt—the way desired, not the way it is.
