

# Voice of Triumph

Volume 7 No. 1

"God's vision shall be voiced, never voided; virtuous and valuable. Engrave it to become embraced." **Habakkuk 2:2-3 KJF**

## VIEWING YOUR ASSIGNMENT THROUGH HEAVEN'S EYES

The following statistics were taken from a Vic Johnson 10,000-responder survey regarding goal achievement. Documented are the reasons, in order of sequence, that many dreams are left unfulfilled: (Fear, 17%) What would happen if you resisted fear by recognizing how much God really loves you so his perfected love could cast out any trace of fear? (Lack of confidence and belief, 15%) What would happen if you entrusted your total life to Jesus Christ and you knew that you would not stumble or fall? (Myself, 14%) What would happen if all your insecurities were healed so that you were whole and well and nothing was left lacking, missing, or broken? (Time, 12%) What would happen if you created standing appointments with the Lord to make things happen for the kingdom of God instead of just watching things happen around you? (Lack of focus, 11%) What would happen if you removed every distraction upon impact and expected God to supernaturally intervene on your behalf for any prevailing impossibility? (Procrastination, 10%) What would happen if you give yourself permission and the freedom to just do it, instead of wearing yourself out thinking about it all the time? (Lack of action, 5%) What would happen if you were repositioned not to wait around, but marked every Spirit-led step until you worked plans fully and completely? Your life would be noticeably transformed. One hundred percent of the time, you would be an eyewitness of God's glory and be more prepared to minister breakthrough to others as you go.

## DEVELOP UNCOMPROMISED LEVERAGE FOR YOUR LIFE PLAN

**Deception.** satan attempts to remove the presence and power of God from your life so you accuse God of breach of promise. Known as a liar from the beginning, satan presents truth in every lie to make it believable. The father of lies wants you to believe one lie at a time until a stronghold against God is built and you believe satan is not a liar. satan postures himself against the truth so you won't even think about Jesus, the Rock of your salvation, as a sure and steadfast anchor because you don't believe you can entrust your life to God. satan has seen God for himself, so if you even deny the Lord, He still abides faithful. satan has seen God for himself so knows the truth; he knows God does not lie, nor cannot. It is never an option the Lord has to reach for. satan tries to convince you of something he has full assurance of. The Word of God in your mouth, as a precision cutting tool, separates the meat from the bone. **Reception.** You operate differently when a receipt is in your hand; it confirms ownership and verifies the item. "But to as many as did receive and welcome Him, He gave the authority (power, privilege, right) to become the children of God, that is, to those who believe in (adhere to, trust in, and rely on) His name," John 1:12 (AMP). Stop toiling like an unworthy servant and find rest in accepting the invitation into the throne room as a son. Here your faith designates a place for what has been prepared before the foundation of the world. Discover creative ways to affirm delivery of the promise — with trust there is clear evidence of the unseen. **Perception.** God anointed David as king when he was a shepherd boy. David fought Goliath as the head of a nation. David even lived in the palace and sealed all the original documents as king. I Chronicle 14:2 reveals that not until David perceived God made him king, did his self-image transform. Who you are to God matters most, then you can abandon yourself to his will. Without realization, your life will be fragmented. "The perceptive grasp the meaning and make a go of it [life]," Proverbs 15:21, The Message. **Conception.** The account of the Tower of Babel in Genesis 11:6 (AMP) demonstrates your potential when you release the power of vision within. "And the Lord said,... and now nothing they have imagined they can do will be impossible for them." God knew man's capabilities when he breathed into Adam, because the Lord is confident of his own capabilities. That one breath imparted the God-possibilities into the total being of every mankind. You are still living on God's original breath of life. If you are experiencing one or many areas of restoration, don't hold God's breath. Remove the shallow puffs and move into the depths of life-giving: Be resuscitative! Be responsive! Be resourceful! Be ready! What the Lord deposited into you — his very own breath of life — outlasts any leftover problem from 2006.

### Thought for Transformation

*"When you desire with belief, it's happening. When you desire with hope, it's happening slower. When you desire with doubt, it's too slow. You might as well think about something else. 99.9% of your creation is complete before you see any physical evidence of it. Want something; don't believe it, it is as good as not coming. Want something; hope it's coming, but you gotta be patient. Want something and know it's coming. Patience isn't the factor because it's coming quickly enough that evidence is showing up all over the place. Optimum is easy to feel when you see evidence." Source Unknown.*
