"In every battle you need faith as a shield to stop the fiery arrows aimed at you by satan." Ephesians 6:16, LB

NO MORE WRESTLING, IT'S A FIXED FIGHT—YOU CAN'T BE WALKED ON

God always provides you with breakthrough, where you will never have to add or subtract from the perfect work of God. Don't just make the Lord a part of the operations, but acknowledge him as the head. With this arrangement, you will never be the tail. He will personally instruct you how to be more than a conqueror not just a champion. He sets your pace so you can advance through even deceptive traps and come out untouched. We are clothed with the whole armor of God so we not only have a strong defense, but are free to operate offensively to quench the fiery darts of the enemy. If you are not engaged in the warfare until the end, the enemy you thought was defeated will return disguised; in this state he works through others so he can remain undetected. Don't just be content on cutting down wickedness. Don't stop until your rule is absolutely peace: The wicked root is gone; therefore there can't be any re-growth. The wicked seeds are gone; therefore a new generation can't arise. That's why we must constantly depend on the Holy Spirit to guide us into all truth so we can have the latest intelligence. "It is God that girdeth me with strength, and maketh my way [breakthrough] perfect. He maketh my feet like hinds' feet, and setteth me upon my high places. He teacheth my hands to war, so that a bow of steel is broken by mine arms. Thou hast also given the shield of thy salvation: and thy right hand hath holden me up, and thy gentleness hath made me great. Thou hast enlarged my steps under me, that my feet did not slip. I have pursued mine enemies, and overtaken them: neither did I turn again till they were consumed. I have wounded them that they were not able to rise: they are fallen under my feet. For thou has girded me with strength unto the battle: thou hast subdued under me those that rose up against me. Thou hast also given me the necks of mine enemies that I might destroy them that hate me." Psalm 18:32-40

DOUBT IS A FAITH BREAKER — NO DOUBT ABOUT IT

In the Greek language the word doubt has a strong meaning: to separate you thoroughly from God's influence; to withdraw from or actively oppose God's influence; to discriminate or note a difference so you will stay your distance from God's influence; and to hesitate so you will second-guess God's influence. The children of Israel broke faith because they believed God breached his promise to them. If you refuse to believe the blessing [saying you well able to possess the land], then you will be subject to the curse [slander the promised land]. The wilderness became a wall instead of a door into the Promised Land. It seemed quite permanent because they laid-over for 40 years instead making an alignment with God's original intentions i.e., an 11-day passageway not to the wilderness, but a short cut *through* the wilderness. Allow God's voice to resonate in your life. Be sensitive to the move of God, so you grant him the right-of-way. Your steps will be ordered by the Lord, and you will delight in the chosen path. When you acknowledge him as your guide, he will direct your paths with precision. Develop an un-breachable trust in promises of God. Keep your faith fresh daily. Be instant in season and out of season so prevailing doubts will be replaced by the full assurance of faith every time. Instead of saying, the giant is too big to hit, your faith will reframe the problem with the solution, the giant is too big to miss. The Word of God always gives you the best shot. You will doubtless come again rejoicing bringing in your overflowing harvest.

STAND IMPENETRABLE THEREFORE IMMOVABLE IN JESUS CHRIST

"These things I have spoken unto you that in Me ye might have peace. In the world ye shall be tribulation: but be of good cheer, I have overcome the world." Jesus' words comfort us in knowing that when we abide in him and his living word abides in us we become impenetrable. It can be interpreted that the world system has already been turned upside down which is right side up. Jesus, as the conqueror of the world system, made an open exhibition of the devil's defeat. Please know that this was a single revolution, i.e., quicker than when you turnover a palm when it was down. Our assignment is to stand immovable in power and authority so we can experience satan under our feet daily. Never move to a position that the devil is busy, when in actuality he is a defeated foe. "He [Jesus Christ] won't let up until the last enemy is down—and the very last enemy is death! 'He laid them low, one and all; he walked all over them.' When Scripture says the 'he walked all over them,' it is obvious that he couldn't at the same time be walked on. ...showing that God's rule is absolutely comprehensive—a perfect ending!" Thought for Transformation

A champion may lose his title, but a conqueror never loses any ground. A champion has to keep fighting for the same title over and over again, but a conqueror sets up a perpetual rule over his territory forever. God's purposed, approved, desired, and valued position for you is that you have been saved to the uttermost: Because of God's love, you are entitled to have the advantage of being more than a conqueror through Christ. In this state, you have inherited an enlarged territory you didn't fight for. In reality, our warfare is only to maintain Jesus' victory.

Broken in Irreconcilable Pieces

"The adversaries of the Lord shall be broken to pieces; out of heaven shall he thunder upon them: the Lord shall judge the ends of the earth; and he shall give strength unto his king, and exalt the horn of his anointed." I Samuel 2:10

The Memorial for satan

"Moreover the word of the Lord came unto me, saying...I will bring thee [satan] to ashes upon the earth in the sight of all them that behold thee." Ezekiel 28:11,18. Envision satan in perpetual destruction; if he tries to come one way, he flees before you seven ways [in pieces].
