Voice of Triumph

"Look here what is done is done and gone. The now is new, and there's hope in the not yet. I will tell you what's to come, even before the events are brand new." Isaiah 42:9, The Voice

THE DAILY RENEWAL PERIOD FOR SUPERNATURAL SABBATH REST

Embrace God's vowed promises until your heart is their resting place. Israel was to occupy the Promised Land in eleven days. Unbelief outweighed their trust in Him so they arrived 40 years later. Still God desires us to inherit His supernatural rest. He is so passionate about our receiving it He named everyday a sabbatical. God renews it daily so you can enjoy resting in His love that you cannot find anywhere else. If you entered in yesterday or not, your appointment is scheduled today. "For only we who believe God can enter into His place of rest. He has said, 'I have sworn in My anger that those who don't believe Me will never get in,' even though He has been ready and waiting for them since the world began. We know He is ready and waiting because it is written that God rested on the seventh day of creation, having finished all that He had planned to make. So there is a full complete rest *still waiting* for the people of God," Hebrews 4:3-4, 9 (TLB). Jesus shows us how to discover supernatural Sabbath rest in Him. "Are you tired? Worn out? Burned out on religion? Come to Me. Get away with Me and you'll recover your life. I'll show you how to take a real rest. Walk with Me and work with Me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with Me and you'll learn to live freely and lightly," Matthew 11:29-30 (MSG). "...The Lord blessed the Sabbath day and hallowed it [set it apart for His purposes]," Exodus 20:11 (AMPC). My first Sabbath, Holy Spirit led me to my \$99 wedding gown: the year before it was \$500; now it is \$700.

THE ART AND SCIENCE BEHIND THE CONSCIENCE

Your conscience can guide you to absolute truth, sidestepping any lie, error, or deception instead of being sideswiped by them. It cannot be wrong, but the connection may be lost. If ignored repeatedly, unwholesome cravings can allure you down a path to premature death. Never hurry decision making. Systematically weigh all facts from every angle. "Where is the man who fears the Lord? God will teach him how to choose the best. He shall live with in God's circle of blessing, and his children shall inherit the earth. Friendship with God is reserved for those who reverence Him. With them alone He shares the secrets of His promises," Psalm 25:12-14 (TLB). "Be careful in the face of what seems to be an apparent defeat, so you won't become presumptuous. Be careful after a victory so you won't become careless," Holy Spirit impressions. After knowing the chosen route, Israel delayed moving forward. When judgment was rendered, they hastily fought a battle without the Lord's leading and lost. Live in the circle of blessing, not the cycle of defeat. Everyday is loaded with benefits that give you the unfair advantage every step. Carve out your life as the masterpiece it is meant to be. Receiving clarity is 80% of your success. Hosting right customs design the right time and timing for your vision. God's wisdom is accessible for clearance, closure, and crystallization of your vision. Only cultivate dreams that chase your core values.

CHANGE THE TIME ANYTIME OF THE YEAR

"Change isn't change until you change," Clefelo Dollar. You know the time change model is "Fall Back, Spring Forward." Reverse that phrase if facing a setback expecting your comeback. Consider "Fall Forward, Spring Back." May Denzel Washington's profound words move you from regress to progress. "Fall forward. Here's what I mean: Reggie Jackson struck out 2,600 times in his career - the most in the history of baseball. But you don't hear about the strikeouts. People remember the home runs. Fall forward. Thomas Edison conducted 1,000 failed experiments. Did you know that? I didn't either - because number 1,001 was the light bulb. Fall forward. Every failed experiment is one step closer to success."

ESTABLISHED PROTOCOL FOR YOUR RHYTHM OF LIFE

1. Life Order – an uninterrupted course accurately arranged eliminates chaos, frustration, confusion, waste, and dysfunction. The four seasons never consult the temperature, climate, time change or weather conditions. The sequence is constant: spring, summer, autumn, and winter. 2. Life Balance – perfect equilibrium affects agility showing surefootedness, speed, strength, and splendor. You are not moving from one extreme to another, nor juggling between two or more things, but carrying the accurate weight to accommodate the set loading. The earth evolves around the sun. If the sun was closer to the earth, the earth would burn. If the sun was further away, the earth would freeze. 3. Life Wholeness – perfect soundness, complete: nothing missing or broken. Sealed or resealed breaches restore levels of energy. All of mankind's supply is generated from the earth. A landfill is a holding place for items that can't be decomposed. In fact, it devalues land, releasing toxics and foul odors into the environment. Although covered, it initiates fragmentation. The earth loses its power to regenerate. 4. Life Fullness – reinforced so every joint supplies each other. Well hydrated so never runs on empty. Constantly replenished and never drained dry. "Though all rivers flow into it, the sea never overflows," Chinese Proverb. 5. Life Overflow – ability to refresh others. Streams of life generate from you impacting others. Your life-giving surplus brands you resuscitative, responsive, and resourceful. The continuous infilling reproduces excess. Niagara Falls is not pouring out, it is a springing up. Its nonstop flow images a spring of living water. The volume of flow is 100%; horseshoe, 90%. It was never meant to freeze. However, an ice jam in the upper river stopped the flow for a few hours in 1948.

Thought for Transformation

Mike Murdock teaches about the power of undivided focus. It is the proven way to achieve daily goals. Refuse to allow interruptions to stop progress. Expect to move forward, faster, farther. Redeem time!

The Fully Receiving Model

Psalm 23:1, KJV, "The Lord is my Shepherd, I shall not want." Substitute the word "want" with "crave." Then add "I shall not lack the capacity to fully receive from God."

Jesus' Blood, Stain Remover

Leonardo Di Vinci always took time to identify the perfect model to portray the character he desired. Painting The Lord's Supper, the man who depicted the innocence of Jesus was the same one who represented Judas, the Messiah's betrayer seven years later as he sat unrecognizable in prison sentenced to die. "Don't let anything stain your world," Brandon O.

Expectation vs. Experience

As you mature, be mindful to never lose your expectation that you can do all things through Christ that strengthens you. A child has great expectations because he believes nothing is impossible. I saw a little girl trying to lift up her brother on her shoulders who was twice her size. Nothing in her told her it was impossible. If that level of faith is unguarded, experience will outweigh expectation every time. Jesus noted child-like faith as the key to the kingdom of God. Faith acknowledges the impossible as the inevitable. "Verily I say unto you, whosoever shall not receive the kingdom of God as a little child, he shall not enter therein," Mark 10:15 (KJV). View heaven on earth like a trusting child. Revelation 3:7 (KJV) is God's open door policy into the throne room of the King of Glory. "I have set before you. an open door."
