Quietness and stillness have their reward. Stillness pacifies outer mobility while quietness, your inner mobility. Moreover, you can bridge them in concert with each other. Blending the two congruently will shift you and then lift you right into the presence of the Lord. Living in that posture, you become the audience before the King of kings as well as you have the express opportunity to bring Him your desired agenda.

Breakthrough to a more excellent way

of living and working.
