Jesus' sacrifice forever renewed our Heavenly Father's promise to never forsake us ever. As a living sacrifice through Him, we can 1) forgive any offense, 2) forget as if it never happened, and 3) live free knowing the finished work of Christ is so much greater than what anyone can possibly do against us. Jesus decreed: our Heavenly Father forgives us when we forgive and will not forgive us if we will not forgive others. God judged satan condemned and punished already. Refuse to share space with the devil that is forever unforgiven.

Breakthrough to a more excellent way of living and working.
