Voice of Triumph

“The waters kept rising until they lifted up the ark so it floated safely over the land; the torrent continued to swell and increase in momentum until the highest mountain peaks beneath the heavens were covered.”

THE MIND OF CHRIST IS REVELATION THAT IS CAUGHT FROM HOLY SPIRIT

Physically constricted in captivity, Daniel remained spiritually unrestricted. When God’s “super” is present on your “natural,” you are the head, never the tail. Authentic downloads from heaven never fail to surpass magicians or astrologers at any time in the past or even in the future. Dan.1:8-21 validates what God supernaturally revealed to Daniel was completely off-limits to the demonic realm. Daniel and the three Hebrew children operated at the supreme spiritual realm—hosting their supernatural disposition—so it remained impossible for even the evil spirits behind the magicians and astrologers to breach the line of communications between heaven and earth. Holy Spirit qualified Daniel, Shadrach, Meshach, and Abednego to be more accomplished than every bona fide expert within just ten days after they sanctified themselves unto God through prayer and fasting. God also graced Daniel with revealed truth to decode visions and dreams. God’s four consecrated ones operated on the Most High’s frequency. It was defined as ten times better than all of the enslaving king’s counselors. Before that time, Daniel did not have this anointed aptitude to download secrets from God. Consequently, Daniel’s delivery of the interpretation to the king was also without any deliberate practice. He never had time to perfect this new skill; it was not taught, but “caught” from Holy Spirit. Even though the king imposed the death sentence on anyone unable to understand his dream, Daniel fearlessly resolved the mystery instantly. Receiving a renowned status in just ten days outclassed what could have only been achieved naturally in ten years or more. Holy Spirit graced Daniel to excel above everyone else. Author Malcolm Gladwell’s calculated the hours it takes to become an expert. His book *Outliers* says 10,000 hours of deliberate practice equals about 10 years. God shaved off 9 years, 355 days to impart revelation knowledge into His highly favored son Daniel in that one moment in time. God is no respecter of persons. Become a prime candidate to receive revelation knowledge from God as His highly favorite son or His highly favorite daughter.

GOD’S VOWED PROMISES GIVE YOU LONG LIFE AND LENGTH OF DAYS

Jesus realized Isaiah 53:5 over 2,000 years ago; that was first recognized from the foundation of the world. Alongside Jesus’ Crucifixion is divine health; it is inseparable. “But He was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed.” The finished works of Christ are stable, sustainable, and scalable. Therefore, divine health belongs to you! Employ the name of Jesus to command any of your 9 organs along with their 17 functions to be restored as originally created. You have a group of organs that work together to perform one or more functions in the body. 1) Musculoskeletal: mechanical support, posture and locomotion. 2) Cardiovascular: transportation of oxygen, nutrients and hormones throughout the body and elimination of cellular metabolic waste. 3) Respiratory: exchange of oxygen and carbon-dioxide between the body and air, acid-base balance regulation, phonation. 4) Nervous: initiation and regulation of vital body functions, sensation and body movements. 5) Digestive: mechanical and chemical degradation of food with purpose of absorbing into the body and using as energy. 6) Urinary: filtration of blood and eliminating unnecessary compounds and waste by producing and excreting urine. 7) Endocrine: production of hormones in order to regulate a wide variety of bodily functions (e.g. menstrual cycle, sugar levels, etc). 8) Lymphatic: draining of excess tissue fluid, immune defense of the body. 9) Reproductive: production of reproductive cells and contribution towards the reproduction process. 9) Integumentary: physical protection of the body surface, sensory reception, vitamin synthesis. Command new life now!

THE BODY WAS MADE FOR MOVEMENT, USE YOUR COMMAND TO MOVE

I Kings 18:40-46 proves what happens when the glory of the Lord is activated. Elijah outran the king’s chariot about 15 miles quicker, preventing him from getting drenched by heaven’s rains. The distance was about 25 miles. The odds of losing were removed when Elijah absolutely trusted the absolute truth of God’s character, not what he could possibly achieve on his own. Live in a circle of blessing, instead of a cycle of defeat: “But they that wait [bind together] upon the Lord shall renew their strength. They shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint,” Is. 40:31. “Now in Your strength I can scale any wall, attack any troop,” Ps. 18:29. “The Lord God is my strength; He will give me the speed of a deer and bring me safely over the mountains,” Hab. 3:19. “He gives me the surefootedness of a mountain goat upon the crags. He leads me safely along the top of the cliffs,” Ps. 18:33. Exercise, instead of making excuses not to!
