*The color of God's love is viewed as His covenant of His peace He extended to you. An online reference described a double rainbow. "It is believed that a double rainbow indicates good fortune and happiness. While the primary or first arc portrays the real world, the second represents the spiritual world. Double rainbows are formed when sunlight is reflected twice within a raindrop with the violet light that reaches the observers eye coming from the higher raindrops and the red light from lower raindrops. What is a double rainbow? A double rainbow is a wonderful sight where you get two spectacular natural displays for the price of one."*

*"I whispered a prayer to God from my heart. I asked Him for a sign that granted me His unfair advantage. That same morning, the Lord hand-delivered a miraculous wonder. On my windshield, a single raindrop landed. It was not raining, nor inclement weather forecasted. The sky was blue, not even one cloud in sight. Suddenly, a full-color rainbow rested on the freeway, not in the sky. Brilliant and bodacious, it stood from ceiling to floor, from wall to wall. Settled!!! I knew my God covenanted with me to keep me safe and sound under His wings. He demonstrated His (dunamis) strength is made perfect in my weakness indeed!"*

*Elohim said, "This is the sign of the promise I am giving to you and every living being that is with you for generations to come. I will put My rainbow in the clouds to be a sign of My promise to the earth. Whenever I form clouds over the earth, a rainbow will appear in the clouds. Then I will remember My promise to you and every living animal. Never again will water become a flood to destroy all life. Whenever the rainbow appears in the clouds, I will see it and remember My everlasting promise to every living animal on earth." So Elohim said to Noah, "This is the sign of the promise I am making to all life on earth." Gen. 9:12-17, (NOG)*
