God, Jesus, and Holy Spirit created the heavens and earth. On the seventh day, they rested. Yet, Elohim works salvation in the earth, systematically and habitually. Jesus testified God never ceases His work. Holy Spirit joined Jesus for God to work heaven onto earth. He proved God sent Him to finish His works. The prevailing climax is Jesus' testimony, "It is finished!" He set the paradigm for all His posterity. We serve Him by resounding, "It is finished! Jesus has done it." Labor by mixing your faith with the Word of God until you rest satisfied in the same rest that God rests in.

The rest of God was established from the foundation of the world. God is obliged to show you favor that He already made your advanced reservations. "There still exists, therefore, a full and complete rest for the people of God. And he who experiences his real rest is resting from his own work as fully as God from His." "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in, [en] us," In Greek, "en" is the relation of rest. Enter into rest and never exit. God's unimaginable coexists as undisputable.

Sabbath Day celebrates the Atonement Day by relaxing. Bridged and blended in "This is the day that the Lord has made we will rejoice and be glad in it." God already prepared a readiness in each day to supply it fully. Be a receiving-believer. See His promises hand-delivered. Jesus declared He would be satisfied with the travail of His soul. Say, "Thank you, Jesus! I accept Your toil-free yoke and put it on. It is for interconnection, never incarceration. I discover rest for my soul as I yearn to yield to the unforced rhythm of Your grace."
