Voice of Triumph

“There is still a vision for the appointed time; it testifies to the end; it does not deceive. If it delays, wait for it; for it is surely coming; it will not be late.” Habakkuk 2:3 (Common English Bible)

16 MESSIANIC PSALMS HELPED JESUS DISCERN GOD'S WRITTEN VISION

The Psalms were an integral part of spiritual growth and development for Jewish children. At least sixteen Messianic psalms foreshadow Jesus' ministry on earth. “I will declare the decree: the LORD hath said unto Me, Thou art My Son; this day have I begotten Thee. Ask of Me, and I shall give thee the heathen for Thine inheritance, and the uttermost parts of the earth for Thy possession. Thou shalt break them with a rod of iron; Thou shalt dash them in pieces like a potter's vessel,” Psalm 2:7-9. Holy Spirit and the Word gave Jesus an unobstructed view of God's vision. Jesus was absolutely convinced He was carrying His Heavenly Father's vision at age twelve. Joseph and Mary located Jesus after a three-day search. Jesus' first response to them was, “Why did you have to look for Me? Didn't you know I had to be concerning Myself with My Father's affairs?” Luke 2:49 (CJB) ensures you too will agree with your Heavenly Father's vision through the Word of God and the Spirit of God.

HEAVEN'S VISION USES THE FAITH OF GOD THAT'S WITHIN LIKE A GPS

When Daniel received a vision from God, it was during an extended fast. He was weak and weary. The angel Gabriel touched Daniel. Afterward he received strength to hear the message. Then Daniel received strength after he heard the message; it resonated in his heart and resounded from his mouth. Faith cometh, i.e., advances and arrives to its destination, not its origination when the *rhema* word, the poured word of God is spoken. Jesus confirmed Holy Spirit only speaks what He hears from heaven. He never fabricates any words He delivers to you. The model for exercising your faith is: 1) conceive the end from the beginning; 2) live fully convinced you own it; 3) carve out space to occupy it; and 4) confess it's in your possession now.

YOU ARE GOD'S MASTERPIECE MADE TO OUTLAST EVERY OPPOSITION

Four opposing forces attempt to bait you during any journey. 1) Intimidation restricts movement to get you to suspend your course. Be bold and courageous to face what's uncomfortable until you achieve a new level of comfort. You are no longer scared of reinvention. 2) Tradition entertains familiar influences so you will maintain the same course. Don't shy away from being willing to change. Stay open to do something in a different way. 3) Aggravation attempts to veer you off-course starting from your inside world to the outside. Don't allow your attention to be averted by your thoughts, emotions, and/or will. You can even have success by the things you ignore. 4) Distraction keeps your eyes fixed on other things around you, instead the road ahead of you. Don't examine a diverse course and miss the exit sign.

THE DISTINCTION OF VISIBILITY

Conquer all three causes of low visibility. Your “view of there” is vital. Then you will not be a passenger in someone else's vision for you when you don't want to ride. I recall a co-worker pulling me into his conversation with a resounding “we, we, we.” The picture got worse as he spoke of us in the same boat. I turned my finger into a sword. I rotated in a 360° circle as I made a cutting sound. He asked, “What are you doing?” I replied, “I am cutting myself out of that conversation. That has nothing to do with me.” I severed what his imagination had purposed for me. First cause is a Buried Vision i.e., hidden, covered, masked. You can't even see if it is really dead or alive? Arise to new heights. “*There is more to us than we know. If we can be made to see it, perhaps for the rest of our lives we will be unwilling to settle for less,*” Kurt Hahn. Second cause is a Borrowed Vision i.e., on loan, leased, rented. What you borrow is only one size. It cannot be resized to fit your customs since it doesn't belong to you. You can only file a copyright on originals. “*Vision gives you the impulse to make the picture your own,*” John H. Patterson. Third cause is a Blocked Vision. What obstruction is impeding you? Will you allow that stumbling block to remain? Let nothing stop your progress. “*To accomplish great things we must first dream, then visualize, then plan...believe...act!,*” Alfred A. Montapert.

YOU ARE IN THE DRIVER'S SEAT

Blind spots are what you can't see that can keep you from success. Peripheral vision helps you move over into the next lane. Rearview mirror is smaller than front windshield because where you are going to greater than where you have been. Stay out of reverse. “Anytime you are fixated, immobilized, absorbed in, or even overly concerned with something that is over—whether it happened this morning or ten years ago—constitutes reverse gear,” Richard Carlson, Ph.D. Like a GPS, your vision must be voiced. Work what you see until it speaks. When it speaks, you will see the authority it carries. Voice is where your authority lies. Recalculate your words if you say anything contrary. Without delay, dismay, decay: expect to arrive right on time!

Thought for Transformation

“Without a vision, the people perish.” Proverbs 29:18 shows it leads to self-destruction. Blind-sided is one without a vision who roams aimlessly in the opposite direction. A party with a mirage never takes any action. Here's how to know if you are only mirroring a mirage. “Vision without execution is hallucination,” Thomas Edison.

Validity of the Vision Voiced

Your imagination is for your future. You can never outperform it. It mirrors your self-portrait. Imagine you can and you will. Conceive a vision statement that's bigger, bolder, and beyond where you are. Carve what you envision in the present tense. Voice-activate what is written until you see it!

Global Positioning System

Led by Holy Spirit, you will: live outside of your comfort zone; learn to maneuver effectively; lessen other's impact on your progress; look for evidence that God's vision for you is visible.

X-ray Vision sees the Unseen

Please consider the tool of visioneering. “The future belongs to those who see possibilities before they become obvious,” John Sculley. Visionary leadership embraces the reality of what God purposed for your future, rather than your present or the past. Your revelation changes into realization.

Setting Your Sight

One who only sees the future, never lives in the present. One seeing the present, never launches the future. One seeing the past, never enjoys the present nor launches the future. Even with 360° vision, sheep cannot get lost. Jesus, the Shepherd always comes searching for what belongs to Him!
