

“Eternal One: Heaven is My throne, and earth is where I rest My feet. So what kind of structure would you build Me? What man-made space could provide Me a resting place?”
Isaiah 66:1 (VOICE)

MOM CRAFTED IN ME THE PHRASE, “YOU’RE BIGGER THAN IT!”

My Mom was the one who crafted the phrase in my heart as she mouth carved out, these words, “You’re bigger than it!” Over the years, I heard her voice resound and resonate in my heart time and time again when I was starting a new venture. Mom was courageous. Then the day came when I desired to reserve her energy. That is when she proved that she was bigger than it too. This was our first time grocery shopping together after surgery. I said, “Why don’t you sit at the exit door while I check out?” I thought she was going to comply, so I only watched she leave. When I arrived at the door, the bench was empty. Gasping for breath, panicking how I can tell my sisters that I lost Mom? I kept on moving like nothing happened at all. Driving ever so slowly, I kept attentively looking out the window for her. About .4 miles later, Mom was already at the next store on our list, calm, cool, and collected. This time without uttering a word, she demonstrated to me “You’re bigger than it!”

YOUR DOMINION IN CHRIST: YOU ARE CO-SEATED IN HEAVENLY PLACES

Written in Hebrew, David is awestruck about the creation of man as he communes with God. “What is man that You are mindful of him, And the son of [earthborn] man that You care for him? Yet You have made him a little lower than God, that is *Elohim*, And You have crowned him with glory and honor. You made him to have dominion over the works of Your hands; You have put all things under his feet, All sheep and oxen, And also the beasts of the field, The birds of the air, and the fish of the sea, Whatever passes through the paths of the seas. O LORD, our Lord, How majestic and glorious and excellent is Your name in all the earth!,” Ps. 8:4-9 AMP.

Written in Greek, every new creation lives through Jesus. “Thou didst put all things in subjection under his feet. For in that he subjected all things unto him, he left nothing that is not subject to him. But now we see not yet all things subjected to him. But we behold Him who hath been made a little lower than the angels i.e., *Elohim*, even Jesus, because of the suffering of death crowned with glory and honor, that by the grace of God He should taste of death for every *man*. For it became Him, for whom are all things, and through whom are all things, in bringing many sons unto glory, to make the Author of their salvation perfect through sufferings, Heb. 2:8-10 (ASV).

FROM AUTISM AND ADHD TO BEING AUTHENTICALLY REMADE ALL BY GOD

“Children, you belong to God, and you have defeated these enemies. God’s Spirit is in you and is more powerful than the one who is in the world,” 1 John 4:4, (CEV). Nicholas Watson pays tribute to God for his good success. Not only has 2021 Arkansas High School graduate Nicholas Watson earned the title of Valedictorian, but he has also obtained the highest grade point average in the school’s history with an incredible 4.8. Due to Watson’s hard work, he received more than \$1.5 million in scholarships and was accepted to 45 colleges. Watson is extremely grateful to have such an amazing opportunity, and says he was never meant to make it this far.

“Besides autism and ADHD, they said I wasn’t ever going to comprehend, read math all of that, No matter what circumstance or whoever defines you, you’re the one who defines yourself.” Watson always worked hard and never listened to those who doubted him. Not only did he grow up to read and be great at math, but he also competed in track, cross-country, soccer and basketball. Watson overcame every single obstacle that was thrown his way with ease. Watson accepted his scholarship to Harding University, in Searcy, Arkansas, where he played basketball and majored in Electrical Engineering. He mentored and coached youth basketball. He did so well in high school and passed all of his advanced courses, that he earned 64 college credits to start him off. Watson hoped to make electronic devices and eventually work at big places in the future like Google and Tesla. “No matter what limitations or restrictions that you have been given, conditions or anything that tries to hinder you just try to overachieve that and go to a goal that you want to achieve,” Watson. No prenatal wound or arrested development can be an obstruction against breakthrough.

THE SAND’S STRENGTH IS NOT GREATER THAN GOD’S STRENGTH IN YOU

God saw the sand He made was good: “Do you not fear me? This is the LORD’s declaration. Do you not tremble before Me, the one who set the sand as the boundary of the sea, an enduring barrier that it cannot cross? The waves surge, but they cannot prevail. They roar but cannot pass over it,” Jer. 5:22, (CSB). God saw man He made was very good: “They that wait [bind together] upon the Lord shall renew their strength, they shall mount up with wings as eagles, they shall run and not be tired, they shall walk and not faint,” Isaiah 40:31 (KJV). Solidarity bridges and blends!

Thought for Transformation

“A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time,” Isaiah 60:22 (KJV). *Josiah was eight years old when he was crowned king over Jerusalem. For all thirty-one years of reigning over this ancient city, he perfectly honored and humbled himself before God as recorded in 2 Kings 22:1-2. Josiah never received technical training or a college degree, yet he reigned supremely as king. That is similar to a child in elementary school enrolled in the third grade being elected as the President of the United States. Never underestimate what a child who has the mind of Christ can accomplish. In effect, that is comparable to employing revelation knowledge. Your gifts, age, experience, and nothing else can’t disqualify when God wants you to re-present Him in any endeavor on earth.*

From Scribbles to Scribe

At 13, I worked for my Dad’s HVAC company for the summer. After the first day, I suddenly became the office manager, without any formal training. I couldn’t type. I never wrote a letter before. Pecking on a manual black typewriter, I drafted collection letters and did payroll. Liquid white-out was my best friend. “My Dad told Mom, my baby is writing collection letters; those people are sending me my money.” My money skill was limited: I knew my parents would buy me some fabric to make a dress rather than buy a new one. “I can do all things through Christ which strengthen me,” Phil. 4:13.
