Allow the following interpretation of the Passion of Christ by Dr. C. Truman Davis be ingrained on your mind and in your heart. Refuse to extract anything from what Jesus already accomplished. He never left anything uncovered. Jesus' pure, perfect, and potent sacrifice put your life back together again. Because of His finished work on Calvary, not one thing is missing, lacking, or broken. He fulfilled God's total mission as you just for you. With our Heavenly Father's authority, Jesus declared our innocence before God. Believe it! Jesus crammed the void for you, as you.

"The heavy whip is brought down with full force again and again across Jesus' shoulders, back, and legs. At first, the heavy thongs cut through the skin only. Then, as the blows continue, they cut deeper in the subcutaneous tissues, producing first and oozing of blood from the capillaries and veins of the skin, and finally spurting arterial bleeding from vessels in the underlying muscles. Finally the skin of the back is hanging in long ribbons and entire area is an unrecognizable mass of torn, bleeding tissue." A Medical Point of View, Mar 1965. Withholding nothing!

Jesus is shown as specifically dying for the one who is guilty in His exchange with the thief who hung next to Him on the cross. Jesus promised to remember him i.e., His dismemberment put him back together again. So, Jesus reserves that same level of intimacy with everyone who comes to Him. The moment you accept Jesus as your Savior, He lives in you and you live through Him. Now, you can be where He is also. Your reserved seat awaits you. Jesus made the way for you so He would never have to live without you.
