Tap into your covenant of peace: there is nothing missing, nothing lacking, or nothing broken. It's your back-to-back breakthrough. You break out on the right side and on the left side. The flow is so great it is impossible for you to be conquered. Jesus works alongside of you. All miraculous signs that follow are inevitable. Jesus' dominion as King-Priest is sovereign. No longer is anything over your head but everything is under your feet. God's covenant of peace He granted you is now, perpetual, and eternal. As a king-priest unto God you are an heir of the kingdom of God as well as an heir of the world.
